1. Purpose. Under state and federal forfeiture laws, state law enforcement agencies can seize money and other property, have it sold and use forfeiture proceeds to fund agency budgets. 2. Definition of law enforcement agency. "Law enforcement agency" means any police force, multijurisdictional task force, fire department, or other municipal, county or state agency that (a) has authority under state law or (b) collaborates with a federal agency under federal law to seize and forfeit property.

(b) The total value of seized and forfeited property held by the agency at the end of the reporting period.

6. The law enforcement agency that seizes property and prosecutors that litigate related criminal cases and forfeiture proceedings shall update the Commissioner's website with the information required under paragraph 4 at the end of the month following each seizure of property. The commander of a multijurisdictional task force may appoint one agency to report its seizures. If an agency has made no seizures during the previous year, a null report shall be filed by the agency specifying that it did not engage in seizures or forfeitures under this title during the reporting period.

7. The law enforcement agency that expends forfeiture-related proceeds shall update the Commissioner's website with the information required under paragraph 5 within 30 days after the end of the fiscal year. The commander of a multijurisdictional task force may appoint one agency to report its expenditures.

9. The Commissioner, 120 days after the close of the fiscal year, shall submit to the Speaker of the House of Representatives, President of the Senate, Attorney General and Governor a written report summarizing activity in the state, for the preceding fiscal year, the type, approximate value, and disposition of the property seized and the amount of any proceeds received or expended at the state and local levels. The report shall provide a categorized accounting of all proceeds expended. The aggregate report shall also be made available on the Commissioner's website.

10. Commissioner may include in its aggregate report required by paragraph 9 recommendations to improve statutes, rules and policies to better ensure that seizure, forfeiture and expenditures are done and reported in a manner that is fair to crime victims, innocent property owners, secured interest holders, citizens, law enforcement and taxpayers.

11. If a law enforcement agency fails to file a report within 30 days after it is due and there is no good cause as determined by the Commissioner, the agency or department shall be subject to a civil fine of \$10,000 payable to the General Revenue Fund. In addition, the Commissioner shall make no expenditures from the forfeiture fund for the benefit of the agency until the report is filed.

12. The Commissioner may recoup its costs under this chapter by charging a fee to the law enforcement agency filing a report. The agency may use forfeiture proceeds to pay the costs of compiling and reporting data under this chapter, and to pay any fees imposed by the Commissioner.

13. The Commissioner may adopt rules that are necessary to implement this chapter.

14. The data and reports compiled and prepared under this chapter are public information under the state's Open Records Act/Freedom of Information Act section \_\_\_\_\_. They are not exempted from disclosure by section\_\_\_\_\_.
